Philosophy

Preschool is the beginning of your child's educational experience. Many of their attitudes toward themselves, other people, and school in general, may be formed at this time. Our school plays an important role in making these attitudes positive ones. It offers children their earliest opportunity, outside the home, to interact with a group of peers and thus to develop basic attitudes that will help them to adjust to living within the structure of our society. Preschool is shared by both parent and child. Each has a different role. By sharing this common experience with your child a closer relationship and a greater understanding of each other can be fostered.

Enrollment Agreement for 2019-2020

I wish to enroll _____ (the "Child") in the Voorheesville Community Preschool of the First United Methodist Church of Voorheesville (the "school") for the 2019-2020 school year. I understand that the School is staffed at all times by a N.Y.S. Certified Teacher who is responsible for the program. I also understand that the school is a cooperative, functioning only with the active participation of the parents/guardians (the "family") of all of the students. Through my execution of this instrument, I agree to and understand the following:

1. At least one parent or legal guardian of the Child will be in attendance at all regularly scheduled parent meetings and conferences (typically one parent meeting per year and one parent-teacher conference)
2. The School does not provide transportation. The family will be responsible for transporting the child to and from school.
3. Parents/other caregivers may serve as a "parent helpers" on any day the parent volunteers. Parent helper days are highly encouraged but not required.
4. The family will cooperate in maintaining high health standards for the School by immediately notifying the teacher of any communicable disease or illness contacted by the Child.
5. One adult member of the family will serve as an active member on a standing committee of the School.
6. One adult member will assist in the annual set up or clean up of the school.
7. Monthly tuition of **one hundred thirty dollars (\$130)** for 4 year olds is due to the Registrar of the School **on or before the first day of each month**, from October 2019 through May 2020. **A five-day grace period is allowed, but a \$10.00 late fee will be imposed** if payment is received after that time. Late fees are due with the monthly payment. As the School operates on a limited budget, failure to make timely payments may result in discontinued enrollment. **All payments must be made with a check or money order.**
8. To reserve a spot in class, a non-refundable registration fee of \$40 plus the September 2019 tuition payment shall be submitted along with this agreement. The tuition payment is **refundable until July 15, 2019**. Thereafter, the deposit will be forfeited if the child is taken out of the program. All payments must be made with a check or money order.
9. In order to program and plan for next year, **fees and packets should be turned in as soon as possible, ideally by May 1st.**
10. The family will participate in the Preschool's Silent Auction, held in November, by obtaining or purchasing/making three donations to the auction.
11. The Teacher/Director makes final decisions regarding the curriculum, program, and policies. Questions or concerns are to be directed to the Teacher.
12. The Preschool Advisory Committee helps the teacher run the school, but does not set policy and cannot overrule the Teacher/Director.

(over please)

13. If a situation arises in which the Family must withdraw the Child from the School during the school year, a 30 day written notice must be given. The Family is responsible to pay tuition due for the 30 day period, unless otherwise decided by the Preschool Advisory Committee.

I understand that the School has the right to discontinue enrollment of any student if it is deemed to be in the best interests of the majority of the students enrolled. Circumstances permitting, such action will not be taken without consultation with the Teacher, the family, and any outside consultant deemed necessary by the school.
